

## PROVINCE OF ONTARIO.

And travellers all they do adore,  
 The lovely isles near Huron's shore,  
 Superior makes a grand display,  
 All round her shores to Thunder Bay.

Muskoka's famed for woods and brakes,  
 For rocks and meadows and clear lakes,  
 And sportsmen for it proudly claim  
 That 'tis a land for fish and game.

There doth arise a sweet aroma  
 From great spruce forests of Algoma,  
 And from the poplar, birch and pine,  
 There too is wealth in many a mine.

It may be that of mines the best,  
 Will be found in Ontario West,  
 Stretching towards the interior,  
 Three hundred miles west of Superior.

Essex is our sunny south,  
 At the Detroit river's mouth,  
 There the sun doth cheerful smile  
 On the grape vineyards of Pelee Isle.

Pioneer's axe it now doth ring,  
 On the shores of Nipissing,  
 And some do locate claims away  
 To distant north around James' Bay.
