The Great Patent  
**American Water-Pipe Freezing Preventative Co.**

CHEAP AND MOST EFFICIENT.  
 NO MORE BURSTING PIPES.

This Apparatus is simple, and can be fixed by any ordinary plumber in fifteen minutes.

It ensures exemption from all trouble with water pipes, even in the most severe weather.

A sheet-copper bulb is soldered into the length of the pipe at the point where it rises from the ground; the flame from a small gas-burner or lamp is brought in contact below the bulb, and the householder can defy the most severe cold.

Can be had at all the principal hardware dealers.

Price—including fixing by plumber—for ordinary Single House Service, \$5.00.

Necessary Gas Fixings are charged extra, according to requirements.

Universally approved by Water Works Officials, Municipal Treasurers, Large Manufacturers, Householders.

Orders can be sent to Temporary Offices:

14 King W., care of "Arrow."
