CAMPBELL'S TONIC ELIXIR

This agreeable yet potent preparation is especially adapted for the relief and cure of that class of disorders attendant upon a low or reduced state of the system, and usually accompanied by Pallor, Weakness and Palpitation of the Heart. Prompt results will follow its use in cases of Sudden Exhaustion arising from Loss of Blood, Acute or Chronic Diseases, and in the weakness that invariably accompanies the recovery from Wasting Fevers. No remedy will give more speedy relief in Dyspepsia or Indigestion, its action on the stomach being that of a gentle and harmless tonic, exciting the organs of digestion to action, and thus affording immediate and permanent relief. The carminative properties of the different aromatics which the Elixir contains render it useful in Flatulent Dyspepsia. It is a valuable remedy for Stomachic Dyspepsia, which is apt to occur in persons of a gouty character.

For Impoverished Blood, Loss of Appetite, Despondency, and in all cases where an effective and certain stimulant is required, the Elixir will be found invaluable.

In Fevers of a Malarial Type, and the various evil results following exposure to the cold or wet weather, it will prove a valuable restorative, as the combination of Cinchona Calisaya and Serpentina are universally recognized as specifics for the above-named disorders.

Scientific and Useful.

BAKING HAM.—After you have boiled a ham it improves it much to skin it, sprinkle with pepper, and bake in a brisk oven for one half hour.

Figures Cannot Lie.

This has been said by a great many, and believed to be truth. But we are sometimes a little sceptical when distance of some remote planet is given, but never in the least doubt when JOLLY'S, of 467-471 Queen Street, West, say they have the largest and best stock of Furniture and Carpets in the city.

MILK BISCUIT.—Two pounds of flour, one-half pound of lard, one teacup of yeast, one teaspoon of salt, one pint of milk; make dough and set at ten o'clock, stir at three, mould and make out at five, let rise until supper. Bake twenty minutes.

STARTLING YET TRUE.—In the midst of the great political battle now raging so fiercely throughout our fair Dominion, it is certainly a startling fact that no amount of politics to the square foot will prevent the suffering caused by general debility or nervous and blood diseases, now so common among us. It is true though that these ailments and many others, especially those common to the female sex, can be cured by the use of a new and cheap device introduced into Canada by the Oriental Medicated Electric Belt Company. This consists of an electric belt, so simple in its construction, that it can be worn at all times without the slightest inconvenience, and so cheap that it is brought within the reach of all. The company's headquarters are at No 3 King Street West, Toronto, where they invite inspection of their electrical appliances, and give the best of references.

OATMEAL BLANC-MANGE.—A delicious blanc mange is made by stirring two heaping tablespoonful of oatmeal into a little cold water, then stir with a quart of boiling milk, flavour and pour into moulds to cool; cream or jelly may be eaten with it.

AN EXTENDED POPULARITY.—BROWN'S BRONCHIAL TROCHES have been before the public many years. They are pronounced universally superior to all other articles used for similar purposes. For relieving Coughs, Colds and Throat diseases they have been proved reliable. Sold only in boxes, Price 25 cents.

MEAT FOR WASHING OR MINCING.—Meat that is to be hashed, or used on a second day in any way, would always be much better if the slices were cut from the joint or large piece as soon as it leaves the table and soaked in the gravy of the dish until the next day.

GOLD MINES.

are very uncertain property; for every paying mine a hundred exist that do not pay. But if you write to Hallett & Co., Portland, Maine, you will receive free, full particulars about their new business, and learn how some have made over \$50 per single day at it. You can live at home and earn from \$5 to \$25 and upward per day wherever you are located. Both sexes; all ages. Capital not required; you are started free. Send your address, and all will be proved to you.

OYSTER OMELET.—Add to a half cup of cream six eggs, beaten very light; season with pepper and salt, and pour into a fry-pan with a tablespoonful of butter; drop in a dozen large oysters cut in halves, or chopped fine with parsley, and fry until a light brown. Double omelet over and serve immediately.

"GREAT OAKS FROM LITTLE ACORNS GROW."

and great benefits ensue from the use of Dr. Pierce's "Pleasant Purgative Pellets"—tiny, sugar-coated granules—which obviate the necessity of choking and "gagging" in the attempt to swallow some huge bolus of uninviting aspect and disagreeable effect. Their cathartic action is thorough, yet perfectly gentle, and, unlike other pills, they never react toward constipation. In cases of sick headache, and as a promoter of digestion they are unsurpassed. By druggists.

ORANGE JELLY.—Cover one box of gelatine with one pint of cold water and let it soak one hour; then add one pint of boiling water and one pound of sugar. Stir until the sugar is dissolved, then add one pint of orange juice, strain, and turn into moulds to harden. This should stand at least twelve hours.

Food for Consumptives.

Scott's Emulsion of Cod Liver Oil with Hypophosphites, is a most wonderful food. It not only gives strength and increases the flesh, but heals the irritation of the throat and lungs. As fat as milk and in all wasting diseases, both for adults and children, is a marvellous food and medicine.

CATARH, CATARRH, DEAFNESS AND HAY FEVER.

Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tube. Microscopic research, however, has proved this to be a fact, and the result is that a simple remedy has been formulated whereby catarrh, catarrhal deafness and hay fever are cured in from one to three simple applications made at home. Pamphlet explaining this new treatment is sent free on receipt of stamp, by A. H. Dixon & Son, 315 King Street West, Toronto, Canada.—*Christian Standard.*

CONSUMPTION,

which is Scrofulous Disease of the Lungs, is promptly arrested and cured by this God-given remedy, if taken before the last stages of the disease are reached. From its wonderful power over this terribly fatal disease, when first offering this now celebrated remedy to the public, Dr. Pierce thought seriously of calling it his "Consumption Cure," but abandoned that name as too limited for a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequalled, not only as a remedy for consumption of the lungs, but for all
