

“The best antiseptic

is undoubtedly that which is the least harmful to man in the dose required for asepsis.”—M. DUJARDIN BEAUMETZ.

LISTERINE

a safe, trustworthy, non-toxic antiseptic, answering every requirement of the physician and surgeon. In special practice, notably Laryngology and Rhinology, Listerine occupies an unrivaled position by reason of its excellence and wide range of utility.

An interesting little brochure, entitled:
“The TREATMENT of DISEASES of the RESPIRATORY SYSTEM,”
will be mailed to your address, upon application.

LAMBERT'S LITHIATED HYDRANGEA

A remedy of acknowledged value in the treatment of all diseases of the urinary system and of especial utility in the train of evil effects arising from a uric acid diathesis. A pamphlet treating of “Renal Derangements” may be had by addressing:

LAMBERT PHARMACAL CO., ST. LOUIS

We discover little ways of refinement in our pharmaceutical process which make Scott's Emulsion a more finished product than ever, but we never change that scientific proportioning and blending of the cod liver oil, the hypophosphites, and the glycerin, which has made Scott's Emulsion the standard preparation of cod liver oil for over quarter of a century.

Samples free.
