

PARAGRAPHIO.

STRUCK WITH LIGHTNING.
Neatly describes the position of a hard or soft corn when Putnam's Painless Corn Extractor is applied. It does its work so quickly and without pain that it seems magical in action. Try it. Recollect the name—Putnam's Painless Corn Extractor. Sold by all druggists and dealers everywhere.

We are very apt to divide human life into the pleasant and the unpleasant, the sweet and the bitter, joy and sorrow, good and evil, and to suppose that out of the former springs all our happiness and welfare—out of the latter, all our misery and failure. In so doing, however, we entirely ignore the fact that contrast is a necessary and valuable element in life and happiness.

CONSUMPTION CURED.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous complaints, and having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYES, 820 Powers' Block, Rochester, N. Y.

True resignation, which always brings with it the confidence that unchangeable goodness will make even the disappointments of our hopes and the contradictions of life conducive to some benefit, cast a grave but tranquil light over the prospects of even a toilsome and troubled life.

GREAT DISCOVERY.—The greatest boon to mankind discovered during the present century is Minard's Liniment, the instant remedy for all cramps, bruises, sprains, coughs, colds, quinsy, croup and diphtheria, it also allays pain in the back and limbs. There is nothing extant so good for the scalp and hair, as it removes dandruff and produces a fine silky growth of hair.

Never do anything which if you should see in another you should count a just occasion to despise him for, or to think any way more meanly of him.

Bacon tells us that the virtue of prosperity is temperance, and the virtue of adversity is fortitude; but it depends upon ourselves whether we gather these and other precious fruits from either of these plants.

ERYSIPHELAS.—Mrs. Jane Smith, of Maitland, was cured of a grievous case of erysipelas by using Minard's Family Pills twenty days and applying Minard's Liniment to the parts affected.

The late Rev. Joel Hawes, of Hartford, singularly angular in person and quaint in manner, he preached truth in a most forcible way. On one occasion, after announcing that the usual collection would be taken for foreign missions, he added, in his most impressive manner, 'And I would say to those persons who are in the habit of putting buttons into the box that I would thank them not to hammer down the eyes, for the Lord is not deceived, and as buttons they are valueless.' It need not be said that there were no buttons that day.

Life to be worthy of a rational being must be always in progression; we must always purpose to do more or better than in time past.

A. POULIN, Esq., Manager St. Leon Water Co., Montreal:

DEAR SIR,—It affords me great pleasure to state that recently I have used St. Leon Water (as per four printed directions), with the most gratifying results. From my experience I can conscientiously recommend the Water as invaluable.

Yours truly

THE TEACHERS' ASSISTANT

To Explain and Illustrate the Canadian Church Sunday School Lessons, adopted by our Provincial Synod of Canada, Sept. 16th, 1889.

Price only 30 cents per annum.

Brimful of interesting matter on every Sunday's Lesson.

No Sunday-school Teacher who tries it will be without it.

The Bishop of Toronto thus writes respecting the Assistant:

"I strongly commend it to the notice of the Clergy of the Diocese, hoping that they will promote its circulation among their Teachers."

The Bishop of Algoma says:

"The Assistant" is certain to prove a valuable aid to conscientious Sunday School Teachers. Designed (as its name implies) to stimulate but not to supersede careful preliminary study of the lesson, it opens up new lines of thought, which cannot fail to give solidity to the instruction conveyed in the Sunday School that use it."

The Bishop of Niagara says:

"The Teachers' Assistant" will be valued by all who feel the need of their own minds being stimulated and informed before going to the class in the Sunday-school.
