DR. ORTON FELLING THE AGRICULTURAL PULSE.

THE NOR'-WEST TRIPLE ALLIANCE.

When you go to the Prairie Province, my son,
These three dreadful monsters most carefully shun:
They're working in partnership, fools are their prey,
And many a poor, simple fellow they slay.
The shark meets you first, when you land fresh and green,
And sells you a lot that you haven't yet seen;
Then he asks you to visit the bar-room hard by,
Where he brings on his pal—fatal Winnipeg rye.
When he's been introduced to your stomach and brain,
You start out and wander around on the plain;
Jack Frost, the third partner, here makes you a call,
And next morning the coroner finds you—that's all.

A Parisian lady called on her milliner the other day to "take up" the character of a servant. The respectable appearance of the latter was beyond questioning. "But is she honest?" asked the lady. "I am not so certain about that," replied the milliner; "I have sent her to you with my bill at least a dozen times, and she has never yet given me the money."
