Monsignor Vignani of Liverpool has arrived in Rome from his post and will spend some time in the Eternal City.

It's Your Move!

If Dyspepsia, or any of its kindred ills, such as Biliousness, Constipation or Headache block your way to health you have the remedy in your own hands. It's your move—you can checkmate it! If you will be guided by what is sincerely told you, by the experience of others, and by the testimony of reputable physicians, you will be well. If health is the desired goal—and surely everyone wants health—Abbey's Effervescent Salt will give it to you—will retain it for you—will keep you constantly healthy!

Abbey's Effervescent Salt is composed of the Salts extracted from the juice of Fresh Fruits. It is Nature's Remedy—gentle and pleasant as Nature herself and just as true and faithful. Its use keeps the system clear—the blood pure. The greater portion of illness is caused by Constipation, which leaves as a legacy Dyspepsia, Biliousness, Flatulence, Headache, Heartburn, etc. Abbey's Salt gives health because it removes all these conditions and tones up the stomach, dissipates the bile and keeps the bowels evacuated—not in a drastic, gripping, unpleasant, unnatural way—but gently, pleasantly and surely, as Nature intended it should be done. Bear in mind always that the daily use of

Abbey's Effervescent Salt

will positively keep you in good health. Make a move in the right direction to-day. Get a bottle of Abbey's Salt and Health! Many know this. You should! The following statements by eminent physicians will aid you in your search for health.

<p>Dr. J. E. RUSSELL, New York, states: "Abbey's Salt is an ideal preparation, in that it combines laxative and aperient properties in a palatable form and is at the same time pleasant. My wife finds it particularly efficacious in Headache, Biliousness and Constipation, and she has obtained relief from congestion."</p>	<p>Dr. H. C. SIZER, New York, states: "I am glad to say I find Abbey's Effervescent Salt an excellent laxative and aperient. It gives good results in various forms of Dyspepsia and Constipation. I have often thought the effervescent salts were not half as well known and used in this country, as they ought to be."</p>	<p>Dr. D. WAGNER, Springfield, Mass., states: "I am pleased to say that my experience with the use of your excellent Salt is very satisfactory, having used it recently in Nervous Prostration with Wakefulness, Headache, etc., both of which were controlled by it. After much experience, I heartily recommend it to all physicians as one of our best and most reliable remedies. I desire to add my appreciation to the already large list of physicians who certify to the efficacy of your admirable remedy. It has a place among my remedies."</p>
--	--	--

Dr. EDWIN R. BEDFORD, Brooklyn, N. Y., states: "I have used Abbey's Salt in cases of Chronic Indigestion with a tendency to Rheumatism, Biliousness, etc., with perfect satisfaction."

If you need a Spring cleansing, take Abbey's Salt. If you took Abbey's Salt regularly you would not need a Spring cleansing. Think this over carefully. It concerns your DAILY health.

Dr. W. H. WRIGHT, Medical Officer of Health, London, England, states: "Our artificial mode of life constantly causes such changes to take place in the quality of the blood that it frequently becomes impure and we fall an easy prey to infectious diseases and blood disorders of all kinds. I know of no better remedy than your Abbey's Effervescent Salt to keep the system normal and the blood pure."
