It's Time for a Change

from that wasteful circular to an

Allis Band Mill

We will guarantee the band will give you 10 to 15 per cent. more lumber from the same logs. You cannot in justice continue to throw this away. The band is getting to be as well known as the circular and as easy to run. We can teach your present circular filer how to handle and care for band saws.

It is not too late to change this winter! Let us hear from you.
