THE Windsor Review has changed hands again. The new proprietors are E. B. and R. A. Winter of Detroit.

A VOLUNTARY assignment has been made by D. Veroneau, a small retail grocer of Montreal; and Wilfred Gauthier, a tobacconist of recent establishment, is said to be offering creditors 50 cents.

A TINSMITH of Carleton Place, Ont., Wm. Steel by name, at present sick in the hospital, has been oblige to make an assignment of his estate, which it is said will pan out a very fair dividend.

SAWMILLS are running at full blast at Bennett and \$100 per thousand feet was being paid for the lumber as fast as it could be turned out. Five-inch slabs bring 3½ cents per square foot, and hay and oats 7 cents a pound. Freight is continually going over the passes, and seven and eight loaded scows go down the lakes every day. The tramway company transports 15 tons every day.—Vancouver World.

THE Galt Reporter makes the following statement in regard to the proposed Hamilton Radial Railway: "For the past few days Mr. Patterson's surveyors have been in Galt and vicinity, spying out the land thereabouts. The evident intention is to bring the Hamilton line into town by way of the gully along Moffatt's Creek, connecting with the Galt, Preston & Hespeler Railway at the corner of Concession and South Water streets. Whether the Hamilton concern will absorb the local electric line and also the Berlin-Waterloo electric line, remains to be seen. That funds for such purchases will be available is not to be doubted, as the intention is to form a company with a capital of \$6,000,000 or \$7,000,000 to take over the Cataract plant and other concerns.
