B.C. ELECTRIC TAKES GROUP INSURANCE FOR EMPLOYEES

Mr. George Kidd, general manager of the British Columbia Electric Railway Co., announces that all male employees in the offices of the company who have been twelve months or more in the service, and who are eighteen years of age and over, have been insured for \$1,000 in the Sun Life Assurance Co. of Canada, without cost or medical examination to any employee coming within this scope. It is not yet known how many are involved in this group insurance, as tabulations have not been completed, but it will likely be one of the largest if not the largest group insurance policy ever placed in Canada.

The Finance Minister has introduced a bill to borrow \$3,000,000 to be used for the erection of suitable buildings for the University of British Columbia at Point Grey, and for their removal from the present hospital ground site, Vancouver.

The Public Utilities Act, passed by the last session of the Provincial Legislature has been repealed. Much of the work of the commission has been taken away from it by reason of the B.C. Telephone Co. and the B.C. Electric Railway coming under the jurisdiction of the Dominion Railway Act.
