OUR "BALL BEARING" SCHOOL DESKS

Stand to-day Above Criticism—The Standard of the World.

THE B. B. AUTOMATIC DESK.

lowest figure—no matter where or who you are.

The Canadian Office and School Furniture Co., Ltd.

PRESTON, ONTARIO.

They were the *only* desks selected by the
Government for the *Canadian Educational Ex-*
hibit at the *Paris Exhibition*. We have for
the sixth time been awarded the contract for
desks for the *Toronto Public Schools*, amount-
ing this year to \$10,000.

During the last two years we sold over 22,000
of these desks, supplying in Canada about three
fourths of all the desks required during that time.

These are noiseless desks, whose beauty and
honesty of construction place them at once above
criticism, and make them the desk *above all desks*.
They have imitators, true, but no equals.

Awarded the *Silver Medal*, the highest award
given on *School Desks* at the *Paris Exposition*.
