

Not all major themes of foreign policy appear on the following list. The list need not, however, be regarded as exclusive in regard to either topics or individuals, and special requests are always welcome.

In all cases, requests for speakers should be directed to the Academic Relations Division. Travelling expenses required to implement the programme are met normally by the Department.

We would also like to draw your attention to the services provided by the Public Relations Division, within the Bureau of Public Affairs, of which the Academic Relations Division is also a unit. The Public Relations Division has, as one of its prime functions, the fostering of a greater awareness of foreign policy matters among the Canadian public. In this regard, the Division is prepared to provide written and other information material on Canada's external relations to members of the public, on request.
