Grand total	2627	1562	(37.4)	59	10	4258

Note: Statistics on men and women are exclusive of handicapped and Indigenous populations. (Administrative Support and Operational Categories are included in data on support; all other categories are shown against the Officer cadre).

### Scope of Analysis

These three segments of the Department are subject to three sets of employment systems. Therefore all statistics were gathered accordingly. Owing to time constraints it was necessary to set priorities for the quantitative analysis, and identify those groups most susceptible both to quantitative analysis and to change. Major groups in the employment categories in each segment were defined as those comprising more than 70% of the population in a given category. Thus, the groups analyzed in detail were:
