

played by the Canada Government Office of Tourism in the symposium for captains of the tall ships held in Quebec City last fall and the \$9.5 million spent on the construction of nautical infrastructure to receive the many sailing vessels arriving for the 1984 events. Mr. Lapointe also referred to the excellent work done by Mr. Richard Drouin, President of the 1534-1984 Corporation, and his team in preparation for these great celebrations that will be a source of pride to all Canadians.
