### SCIENCE POLICY

#### PROPOSED SPECIAL COMMITTEE—NOTICE OF MOTION

**Hon. Maurice Lamontagne:** Honourable senators, I give notice that on Tuesday next, September 17, 1968, I will move:

That a Special Committee of the Senate be appointed to consider and report on the science policy of the Federal Government with the object of appraising its priorities, its budget and its efficiency in the light of the experience of other industrialized countries and of the requirements of the new scientific age and, without restricting the generality of the foregoing, to inquire into and report upon the following:

(a) recent trends in research and development expenditures in Canada as compared with those in other industrialized countries;

(b) research and development activities carried out by the Federal Government in the fields of physical, life and human sciences;

(c) federal assistance to research and development activities carried out by individuals, universities, industry and other groups in the three scientific fields mentioned above; and

(d) the broad principles, the long-term financial requirements and the structural organization of a dynamic and efficient science policy for Canada.

That the committee have power to engage the services of such counsel, staff

and technical advisers as may be necessary for the purpose of the inquiry;

That the committee have power to send for persons, papers and records, to examine witnesses, to report from time to time, to print such papers and evidence from day to day as may be ordered by the committee, to sit during sittings and adjournments of the Senate, and to adjourn from place to place;

That the papers and evidence received and taken on the subject in the preceding session be referred to the committee; and

That the committee be composed of the Honourable Senators Aird, Argue, Belisle, Bourget, Cameron, Desruisseaux, Grosart, Hayes, Kinnear, Lamontagne, Lang, Leonard, MacKenzie, O'Leary (Carleton), Phillips (Prince), Sullivan, Thompson and Yuzyk.
