My dear Sir Arthur

I am so sorry not to be among
the first to welcome you back and hear
your news. But, with your permission,
I am taking this Saturday's boat
out of New York, and Stevie & I are
going to Bermuda and back.

You will be glad to know that I
put in all the sessions with hard work &
no fatigue at all till just at the end I
felt a little off & decided on this trip.
We got a boat back on the 28th night.

Pa
and

With best welcome to you &
Lady Currie
