

THE ACME OF ARTISTIC AND MUSICIANLY EXCELLENCE

The \_\_\_\_\_  
**Heintzman & Co.**  
**Concert Grand Piano**

is used by Mr. Plunket Greene, as  
it is by all the world's greatest  
artists who come to Canada.

They all gladly declare that it is  
a pride to Canadian musical science  
and express their delighted surprise  
that so splendid an instrument is  
manufactured in Canada.
