# Hobberlin's Semi-Annual Discount Sale Begins Today

IN many respects this is the most unique and interesting tailoring event in this city. It is our usual practice to clear the decks for spring importations, which we will show almost immediately. Consequently all present weight fabrics must be moved to make room. The lines to be offered are thoroughly up to the hour in weave, coloring and design. There are no "has beens," "freakish," or "undesirable" patterns. Every yard of cloth in this immense assembly of weaves has been selected by our own buyers at the very source of supply with discriminating care and exquisite taste. Even at regular prices our values are admittedly the best in the city, and with the "special" discounts which will prevail during the sale of 10 to 20 per cent. from bona fide prices. This means clear savings of 20 to 30 per cent., as values are reckoned in other stores.

Discounts will include all lines of SUITINGS in the fancy worsteds, chevots and tweeds. OVERCOATINGS in the beaver, melton, frieze, worsteds, rough and smooth chevots. Sale starts at 8 a.m. today and will continue until February 15th.

MEN WHO WATCH OUR "ADS" WILL SAVE MONEY.

—Open till 9 p.m.—

## WINDSOR OPENS GRAND CIRCUIT

Stewards in Session at New York Announce the Dates for the Meeting.

PITTSBURG, Jan. 14.—Stewards of the Grand Circuit met here today, announced dates for meetings of the circuit in the different cities, admitted New York and Windsor, Ont., to the circuit, and adopted a rule providing that if a horse wins three stake races amounting to \$15,000 it must afterwards compete in the class to which it is eligible by the lowest record it has made in any one of its winning races.

Applications for admission to the circuit were presented to the stewards by Poughkeepsie, N.Y., New York City, Windsor, Ont., and Springfield, Ill. New York was admitted after Readville, Mass., already in the circuit, announced that it would surrender its dates to New York.

Windsor was given the opening week of the circuit and Poughkeepsie and Springfield were refused.

The rule providing that the horse winning \$15,000 in three stake races must compete in the class in which it has made its lowest record does not refer to futurities for three-year-olds and under.

The stewards considered the "three-year-olds" of races. While this system was not adopted, it was recommended to all clubs in the Grand Circuit. Under the "three-year-olds" each heat
