EDUCATION DEPARTMENT,
Toronto, 15th March, 1876.

2. CENTRAL COMMITTEE OF EXAMINERS.

The Chairman of the Central Committee of Examiners desires that an intimation may be given in the *Journal*, that communications or certificates, examinations and other matters relating to the work of the Committee, should be addressed to the Education Office, and not to individual members of the Committee, as the Committee does not desire to receive any letters except such as may be referred to it by the Department.

3. COMMUNICATIONS TO THE JOURNAL.

While communications on educational subjects of general interest are invited, they must be considered as expressing the views of the writer. Political discussions are to be avoided. The essentials of each communication should be conciseness, and a sub-

ject-matter relating to school management, discipline, progress, teaching and other questions of administration.

Inspectors, Trustees and Teachers, as well as all others interested in education, are invited to avail themselves of *The Journal* for this purpose.

4. STATUTE LABOUR BY TEACHERS.

Teachers frequently write to the Department, remonstrating against their being required to perform Statute Labour, or to pay any equivalent for it. As the obligation arises under the Assessment, and not under the School Law, the Department has no jurisdiction in the matter, and cannot therefore interfere in it.
