GRATEFUL—COMFORTING.

EPPS'S COCOA.

BREAKFAST,

"By a thorough knowledge of the natural
 laws which govern the operations of digestion
 and nutrition, and by a careful application of the
 fine properties of the well-selected Cocoa, Mr.
 Epps has provided our breakfast tables with
 a delicately flavored beverage which may save
 us many heavy doctors' bills. It is by the judicious
 use of such articles of diet that a constitution may
 be gradually fed up until strong enough to resist
 every tendency to disease. Hundreds of subtle
 maladies are floating around us ready to attack
 wherever there is a weak point. We may escape
 many a fatal shaft by keeping ourselves well forti-
 fied with pure blood and a properly nourished
 frame."—*Civil Service Gazette.*
