

NEW YORK.

60

FRENCH'S HOTEL,

**Corner of Frankfort St. & City Hall Square,
(OPPOSITE THE CITY HALL AND PARK FOUNTAIN.).**

NEW YORK CITY,

Was built and opened by the Subcriber, May 1, 1849, who trusts that for CONVENIENCE, ELEGANCE, COMFORT and ECONOMY it cannot be surpassed in the world. It contains more rooms than any other Hotel on this Continent save one only, all of which are warmed gratis. They are all fitted up with marble top wash stands which are supplied with Croton water through silver plated cocks. There is but one bed in a room; the halls and water closets on every floor will be lit with gas during the night. This Hotel is in the

IMMEDIATE VICINITY OF MERCANTILE BUSINESS

AND THE PRINCIPAL PLACES OF AMUSEMENT, and offers every inducement to those who consult CONVENIENCE, ELEGANCE and ECONOMY, as the prices will be sufficiently moderate to suit any portion of the travelling public. There is a BARBER'S SHOP and an extensive range of BATH ROOMS connected therewith. The Hotel will be conducted on the European plan of lodging rooms, and meals as they may be ordered in the spacious and splendid Refectory.

Porters will be up during the night to admit Lodgers, and also to call them at any hour they may desire, and in no case will servants be permitted to exact or receive perquisites.

R. FRENCH.

This announcement is from the "Directory of the Province of Canada, 1851". It is reproduced exactly as it appears in this unique volume, and should be particularly interesting to those visitors who stop over in New York City—they will be able to appreciate travel conditions in the early days.
