Of Course the Monroe Doctrine is Also Relied On to Make Success Doubly Sure-Secretary of State Hay Speaks at New York Chamber of Commerce Banquet.

New York, Nov. 19 .- The 133rd annual actions. The briefest expression of New York, Nov. 19.—The 133rd annual banquet of the Chamber of Commerce was held at Delmonico's this evening. Covers for 459 were laid in the main banquet-room, which was decorated, chiefly with American flags. At the table of honor, presided over by President Morris K. Jes-sup, were Ambassador Joseph H. Choate, United States Ambassador to the Court

United States Ambassador to the Court them. We no more want their terri-of St. James; Hon. John Hay. Secretary than we covet the mountains of the mo of St. James; Hon. John Hay, Secretary of St. James; Hoh. John Hay, Secretary of State; U. S. Senator McLaurin of South Carolina; Whitelaw Reid, Governor-elect Cummins of Iowa, United States Senator Depew, Rev. Dr. Donald Sage Mackay, Andrew Carnegie, Mayor-elect Seth Low, Lieut.-Gen. Nelson A. Miles, J. P. Morgan and Governor Odell. The professional and business circles of the city were well represented in the list of the citor guest.

represented in the list of the other guests. The speech-making was opened by Pre-sident Jessup, in a very few words. He

then proposed a toast to the memory of ity in the markets of the Orient, William McKinley. It was drunk with all "We consider our interests in the Pacifi William McKinley. It was drunk with an standing, and in silence. President Roose-veit's health was then toasted, while the orchestra played. The next toast was that of "King Edward of England." In introducing Secretary Hay, President Jessup proposed a toast, "Our Diplomacy." The Secretary was warmly welcomed by

the guests. Secretary of State. He spoke of diplomacy, and said, in part: "There was a time when pacific cable and an Isthmian Canal, for

diplomacy was a science of intrigue the use of well disposed people, but under and falsehood, of traps and mines exclusive American ownership and Ameri-

and falsehood, of traps and mines and countermines. It may be another in-stance of the credulity with which I have often been charged by European critics when I say that I really believe the world has moved onward in diplomacy; as in many other matters. In my experience of diplo-matic life, I can say, without hesitation, matic life, I can say, without hesitation, that we have generally told squarely what we wanted, announced early in the nego-itation what we were willing to give, and drive a hard bargain with another nation,

tation what we were willing to give, and allowed the other side to accept or reject our terms. Guarded By Golden Rule. "If we are not permitted to boast of what we have done, we can at least say a word about what we have tried to do and the principles which have guided our

> Major Wood, N.W.M.P., discovered the scheme and took prompt steps to suppress it, American officials at Skaguay co-operating.

The discovery of the scheme is supposed to have nipped it in the bud. The Yukon police force consists of about 250 men, who are provided with Lee-Enfields. When the scheme was first discovered, Maxim and Colt guns were mounted at White Horse, which was the first place to be attacked. Major Snyder, in charge of the police there, also received reinforcements, and patrols were kept on the alert night and day. It is said the scheme originated in Seattle, and \$250,000 was available to aid the venture.

This information has been obtained from ex-police officers of the Yu-
