DAIRY MARKETS.

LIVERPOOL DAIRY REPORT, WEEK ENDING OCT. 5. [Hedgson Bros.' Letter.]

[Hodgson Bros.' Letter.]

Cheese—The market must be reported quiet, at about unaltered values. Retail dealers, while not stocked, are acting with extreme caution, buying only from hand to mouth, but the importers of strictly choicest late makes are very conservative in their offerings, the bulk of the stock on the market being earlier makes, ready goods. We quote today: Finest Canadian colored, late makes, 63s 6d to 64s per cwt; do, white, late makes, 62s 6d to 63s 6d; finest States, white and colored, 62s to 63s; earlier makes, riper qualities. 62s to 63s; earlier makes, riper qualities, States and Canadian, according to quality, 60s 6d to 62s; lower grades, 48s to 58s. Butter—The market is quieter, and quotations of choicest continental are reduced. Canadian butters show little alteration on the week, but there is a little nore disposition to meet buyers. Second-ry grades are in moderate demand. The ry grades are in moderate demand. The Jopenhagen quotation is cabled 3 kroner ower for next week. We quote today: Choicest Canadian creamery, in 56-lb boxes, 113s to 115s per cwt; choicest continental butter, in Kiel casks, 118s to 127s; choicest Russian and Siberian, 100s to 105s; choicest Australian and New Zealand, 108s
