THE ADVERTISER, LONDON, ONTARIO. SATURDAY, SEPTEMBER 22, 1906.—EIGHTEEN PAGES.

PRICE TWO CENTS.

FATAL WRECK ON GRAND TRUNK--ENGINEER KILLED; A LONDONER SERIOUSLY INJURED

Mixed Train and Fruit Special Meet on a Curve Near Guelph Junction—Harry Andrews, of This City, Among the Injured—Driver Crushed in Cab.

Gourock, a flag station four miles lington, Grey and Bruce division of the Grand Trunk Railway, was the scene of a fatal wreck at 6 o'clock this

Engineer Thomas Farley, of a mixed train running from Palmerston to Harrisburg, was the victim of the crash. Three other trainmen were seriously injured. They are:

Engineer Reid, of Hamilton. Fireman Cecil Bright, of Hamilton. Brakeman Andrews, of London. Met on Curve.

risburg, Guelph Junction and Strat-

good rate of speed, and the special was would have tied its hands so that it running about fifteen miles an hour.

The mixed left Guelph Junction on its regular time, the train consisting of a number of freight cars and a passenger coach in charge of Conductor

Hunt. The fruit special, which has been running daily for the past few weeks, consisted of eight cars, and is due to arrive in this city at 5 o'clock in the

It is understood that the fruit special had orders to run to Guelph Junction, but that the mixed had the rightof-way, being a regular train, appearing on the time card. If this is the case, tory and warehouse of the Canadian ily which claims to have been poison-energetic Liberal, and never once Hearty applause greeted the candithe fruit special should have made it a Oil Company, Canadian competitors of ed by the milk.
