

EXTRAORDINARY CURES

BY **Holloway's Pills & Ointment.**

Cancered Breast.—A Wonderful Circumstance.

Copy of a Letter from Richard Bull, Bootmaker, Tatton, near Southampton. February 9th, 1845.

TO PROFESSOR HOLLOWAY.

SIR—The Lord has permitted to be wrought a wonderful cure of Cancers or Abscesses, of twelve years' standing, in my wife's breast. In the latter part of the time, eleven wounds were open at once. The Faculty declared the case as past cure, several pieces of bone had come away, and I expected that my poor wife would soon have been taken from me. It was then that a friend recommended the use of your Pills and Ointment, which, to our utter astonishment, in the space of about three months, healed up the breast as soundly as ever it was in her life.

I shall ever remain,

Your most grateful and obedient servant,

(Signed) RICHARD BULL.

Wheezing on the Chest and Shortness of Breath.

Copy of a Letter from Mr. Jeremiah Casey, No. 1, Compton-place, Compton-street, Brunswick-square, London, April 25th, 1845.

TO PROFESSOR HOLLOWAY.

SIR—I beg to inform you that I believe I had been, for more than three years, one of the greatest sufferers in the world, with Chronic Asthma. For weeks together my breath was frequently so short that I was afraid every moment of being choked with phlegm. I never went into a bed; very often, indeed, I have been obliged to pass the night without being able to recline sufficiently to lay my head on a table, lest I should be suffocated. No one thought I should live over the winter, nor did I expect it myself; but I am happy to say that I am now able to work from morning to night, and that I sleep as well as ever I did in my life: and this miracle (I may say) was effected by rubbing your invaluable Ointment twice a day into my chest, and taking tea of your Pills at bed-time, and ten again in the morning, for about three months.
