## C. W. L. ORGANIZES FOR THE WINTER

Organization for the work of the coming year was effected at the meeting of the directors of the St. John sub-division of the Catholic Women's League held last night in Hossy Hall with the president, Mrs. John E. Owens, in the chair.

A report of the executive committee which had carried on the work of the society during the summer months was presented and there was considerable correspondence. Among the correspondence were two appeals. In response to the appeal for Japanese relief the sum of \$25 was voted by the meeting.

The second appeal was from the Health Centre and the directors pledged the help of the branch to this cause but decided to delay the voting of money towards its support until some time in the near future. The chief feature of the evening programme was a report of the national convention held in Hall.

A fascinating fox-trot on "HIS MASTER'S VOICE"  
VICTOR RECORD No. 19106

**"HIS MASTER'S VOICE"** is the voice of an endless programme of living entertainment, known as "The theatre of the Home"—and how appropriate! For whatever your mood—whatever the climatic conditions—the price of an orchestra chair is a mere pittance—and it is yours to say what entertainment shall unfold.  
The imaginary curtain rises—a momentary hush—and then—it is the immortal voice of CARUSO singing "FOR YOU ALONE"—and true to the title of the song he is singing for YOU alone—You and YOURS comprise his audience.  
An intermission—someone calls for modern melody—the "Great White Way" orchestra has entered your home—unseen—to play "CAROLINA MAMMY"—Your eyes have closed and you have difficulty in believing that these musicians are not indeed on a stage and that you have an orchestra seat in a REAL theatre.—It is just as though these living entertainers had been invited to YOUR home for YOUR special hour of happiness.  
Such is the spell of "HIS MASTER'S VOICE" Victrola and ("HIS MASTER'S VOICE"—VICTOR RECORDS)—they alone—are capable of giving you this sense of COMPLETE FULFILLMENT and perfect reproduction.  
And this very perfection of performance—this very superiority—has influenced many to refer to all instruments as Victrolas.—It is a compliment which we look upon with disfavor for it not only defeats your best interests but ours as well.  
For your protection every genuine Victrola bears our famous trademark "HIS MASTER'S VOICE"—make sure it is on the instrument you buy.
