## Mid-Winter Clean-Up Sale!

Velvet Collar Overcoats in Blacks and Dark Greys at Greater Reductions

The brick selling of last month left us with broken lines of overcoats, blacks and greys. All told, there are some in every size—big, 40 and 42, are in greater numbers.

We have cut the prices still lower to clear up the entire lot. As most of them are 20th Century brand coats, this presents a rare opportunity. We need the room, too, for spring goods.

## WHY DAN MCGEE GIVES ADVICE

Dodd's Kidney Pills Quickly Cured His Backache And Lumbago

Well Known Nova Scotia Man Rescued From Clutches of Kidney Disease Tells Others to Use Dodd's Kidney Pills

James River, Antigonish Co., N. S., Feb. 8.—(Special).—Suffering from Backache, with eyes puffed and swollen, and occasional attacks of lumbago helping to make his life miserable, Dan McGee, a well known resident of this place, turned to Dodd's Kidney Pills and is today a strong, healthy man once more. It is hardly to be wondered at that he says: "I advise all persons suffering with Backache or Lumbago to use Dodd's Kidney Pills."

Mr. McGee realized from his symptoms that Kidney Disease was causing him for his own. For two months he waited, like many another, for it to pass away of its own accord. It didn't. It simply got worse. Then he turned to Dodd's Kidney Pills, and the disease vanished because it had no case of Kidney Disease can stand before Dodd's Kidney Pills. They always cure.

Rheumatism, Lumbago, Dropsy, Diabetes and Bright's Disease are some of the deadly results of diseased Kidneys. You can safeguard yourself against any or all of them by using Dodd's Kidney Pills.

THE HOCKEY SITUATION

St. John, N. B., Thursday, Feb. 9, 1911.

Editor Times, Dear Sir:

I saw a statement made by A. W. Covey in last night's Times stating that I had made a statement that George Brogan was brought to St. John to play baseball for money, which caused his suspension. I would like Mr. Covey to correct that statement and save further trouble. Mr. Brogan came to St. John to play without any offer of money, and received his expenses after the game. If Mr. Covey is running the M.P.A.A. in St. John, he should use his eyes and watch the ball players and not bring people into hockey arguments, who are not interested in it. I would like to know if the St. John hockey team played a ball player without an outside team, who had played on St. Peter's team, and if so they should attend to home before outside places.

JAMES McBRINE.

When shown this letter Mr. Covey said that he intended to convey to Mr. Brogan that he had admitted that Brogan had played with the Clipper team, a professional ball team, and he was glad that the Clipper manager had made in writing what he had told him over the phone. The admission as to whether or not he received money did not have any bearing on the matter. As soon as Brogan identified himself with professionals he suspended himself, as there was no question as to the M. P. A. A. rules in that regard. Though he had understood Mr. McBride to take his statement to the contrary, he would take his statement to the contrary of the St. John team manager Howard.

The St. John team made reply to the last paragraph of the letter, which is taken to refer to a St. John man who played hockey with the St. John at Chadham. The case is disposed of in a letter from Manager Thomas J. Coughlin, manager of the St. Peter's baseball team, in which he says that while the man, who is

Palpitation of The Heart.

When the heart begins to beat irregularly or intermittently, palpitate and throb, skip beats, beats fast for a time, then go slow as to seem almost to stop, it causes great anxiety and alarm.

To all such sufferers Milburn's Heart and Nerve Pills can give prompt and permanent relief.

Mrs. John Thompson, Mill Cove, N.B., writes: "Just a few lines to let you know what Milburn's Heart and Nerve Pills have done for me.
