PARIS, Friday.—The Patrie this evening  
states that the Cabinets of London and St.  
Petersburg have agreed to the proposal of  
France to admit Piedmont, and there is hope  
that the Cabinet of Berlin may also consent  
in which event Austria cannot oppose the  
wish of the Great Powers.

GREAT BRITAIN.—Parliamentary proceed-  
ings on the 23rd unimportant.

On the 24th in the House of Commons  
the debate was continued on the Reform  
question, being crowded to excess while the  
excitement outside was undiminished.—  
Speeches in opposition to the Government  
Bill were made by Messrs. Milner, Gibson,  
Bernal, Osborne, Walpole and Bright, while  
it was supported by Messrs. Adderl, B. Hope  
and others. The debate was further ad-  
joined.

The European and American Steamship  
Company held a meeting, and agreed to  
dissolve the Company, and wind up affairs.

The steamer Oneco had sailed with the  
cable to connect Victoria with Tasmania.

The trade returns for February show  
great activity. The exports were £9 614-  
000, against £7,288,000 the same month  
last year. The increase is general in all  
branches of trade, but chiefly in cotton  
goods.

Liberal.—Liberal journals of Saturday  
declare that Palmerston's speech saved the  
ministry, as he proclaimed that he should  
vote for second reading of Government Re-  
form Bill, as well as for Russell's resolution  
merely regarding the latter as instructions  
for the amendment of the Bill in Committee.

The Daily News says that as a party-move,  
the interest in the debate is at an end. The  
Star says—Palmerston has cheated the  
country out of reform measures, and com-  
pletely turned the tables on Russell.

TRouble AMONG THE GAMBLERS.—Last  
Saturday evening in Chicago, a party of  
gamblers were gathered around a faro table  
when they were alarmed by a loud noise  
at the door of the room. Fearing a descent  
on the part of the police, the gamblers turned  
off the gas and fled in all directions, several  
of them leaping from the windows. One  
man who had won \$100, thought that  
enough to pay any fine that might be imposed  
upon him, and concluded to bide the event."

He sat calmly waiting the arrest, but no  
further disturbance being noticed, he cautiously  
opened the door, and discovered that the al-  
arm was caused by the stumbling and fall-  
ing of a drunken man, who was wandering  
about the building. Those who went out  
by the windows turned up with bruises and  
sprained ankles.
