Mr. Dodds' burst of eloquence over the riches that the national policy had heaped upon us fell on unbelieving ears. He was cheered, however, by the faithful as per programme. Mr. Boss tock, unfortunately, was not able to be present, but was well represented by H. McCutcheon and W. Marchant, Victoria. The latter exposed the fallacies advanced by Dodds in every instance. As usual as soon as the Conservative speakers had finished the faithful applanders began to leave the hall without watiting to hear from the other side, which so disgusted the better portion of the audience, that they rose en masse, and after three cheers for the Queen gave three rousing cheers and a tiger for Messrs. Laurier and Bostock. It kept two Conservative reporters busy, one to get copy for the Ashcroft Mining Journal and the other to eke out column and a half for the Vernon News' special edition.

Gulistan led to the top of the hin and then Bay Ronald showed in front. On Entering the straight St. Frusquin headed the string but was challenged by Persimmon, and a most exciting finish was the result. In fact the finish was so close as to cause much comment, and only the judges were in a position to tell accurately which horse was the winner. Many persons thought St. Frusquin had crossed

the line first. Eleven horses came to the post for the Derby stakes, 800 sovereigns, for three-year-olds, colts to carry 126 lbs.. and fillies 121, the nominator of the winner to receive 500 sovereigns and the owner of the second horse to receive 200 sovereigns out of the stake, distance about one and a half miles. Among the starters were: The Prince of Wales bay colt Persimmon, Mr. T. Phillips brown colt Bay Ronald, Mr. J. The horses got away at 3:23, with betting at the post 5 to 1 against Persimmon, 13 to 8 on St. Frasquin and 23 to 1 against Earwig. The victory of Persimmon caused a scene of almost unparalleled enthusiasm about the race course. The Prince of Wales was evidently greatly pleased and it was with difficulty that the police were able to make way for him to the weighing room amid the greatest excitement and loud and hearty cheering. Prince of Wales started racing in 1877 but never was very successful until value 1000 sovereigns, by subscription 1895. Just 108 years have elapsed since any Prince of Wales won the Derby. Curious to add, too, when St. Thomas won, there were also eleven starters.
