PATENTEES AND SOLE MANUFACTURERS:

J. & J. TAYLOR,

145 and 147 Front Street East,

T O R O N T O .

SECOND HAND SAFES TAKEN IN EXCHANGE.

CATALOGUES AND PRICES ON APPLICATION.

PRESS NOTICE:—Mr. R. R. Loscombe's books which went through the late fire were all right when taken out of the safe, although the heat was so intense that the handles were melted, and the sides also warped off the safe. Some books which were between the two doors of the safe were all right. This safe was a 'Taylor' one.—West Durham News, Bowmanville, Ont., April 26th, 1889.
