CLIFTON, ONT., Jan. 16, 1880. H. E. STRVENS: Dear Sin-I advise you of the good results of your VERETINE. My wife's father, how nearly ightry-five years old, was attacked with *rysipetus* in its worst form. His head and face were swollen so that he was blind, and one of his limbs was badly swollen and discolored, and broke out in several places and discharged. His physician said there was no remedy that could cure him, as he was such an old man. To gratify son-in-law, he was gued an old man. To gratify son-in-law, he bottles cured him, and he is now a healthy old man. - Last Spring I was troubled, with a disordered stomach, with a sallow skin, want of appetite, phis condition of things arease from poverty of the tomach, with a sative sate, blo extremities and headache. Satisfied that this condition of things areas from poverty of the blood, I took two bottles of VROETINE ; it cured me, and I am satisfied it is the best tonic and blood purifier in the market, and am only too happy to make known these facts to the world.
