BELYEA WINS TWO RACES AT WESTVILLE, N.S.

Westville, N. S., Jan. 16.—In the second of the series of races for the Maritime skating championship to-night Belyea of St. John, defeated Leadbeater of this town. The distance was one mile and the time 3.11. Later Belyea skated Wright, an eighteen year old boy, a half mile, and beat him in a close contest in 1.31.

WILL BOX FOR THE CONVICTS

New York, Jan. 16.—Bat Nelson sat in the electric chair at Sing Sing today. Then he entertained the convicts with a bunch of good stories, some on boxing and some on his personal experiences as a traveller.

Then the Durable Dane had a brilliant idea—he volunteered to arrange a boxing tournament of the best talent possible, and Warden Thomas Mott Osborne, the man who believes that convicts should be treated as human beings, quickly accepted the idea of a holiday afternoon for his charges.

So it is all arranged and now Battling Nelson is on the hunt for talent. He believes that his old pal and enemy Leach Cross, will offer his services. And he is certain Freddie Welsh will join the outfit. And in consideration of his allowing Dan Morgan to sack the prefix "Battling" to the name of Lavinsky, he thinks Dan will take Jac Britton and Lavinsky himself to the prison. Also Charley White will be here from Chicago, and Joe Shugrue, if he lives up to the expectations "Bat" pins on him, is expected to be a member of the party.

And the ever reliable Jim Flynn, iron man of the heavyweights, will join the Dane in his little excursion.

So a boxing show which could not be gathered together for less than \$40,000 or more will be afforded the convicts of Sing Sing prison. Nelson will be appearing at Hamnerstein's next week, but will arrange so that he will be on the bill early for this particular performance. Then he will take the first train for Sing Sing and join the party already there.

WISCONSIN BOXING PAYS.

Milwaukee, Wis., Jan. 16.—Boxing in Wisconsin under State regulation has been a success and the Commonwealth has profited more than \$12,000 according to a report of the State Athletic Commission, prepared and issued today for presentation to the Legislature.

Since its creation the commission has licensed thirty-four clubs, revoked three licenses and refused one. The receipts of clubs operating under the commission, covering the period of the report, aggregate \$245,613.40. The total expenses of the commission were \$3,618.21.

PROKOS DEFEATS LUDECKE; THE AUDIENCE NOT PLEASED

One of the largest crowds to attend a wrestling match in St. John was at the Opera House Saturday night when the chief attraction was the bout between Harry Ludecke and Jim Prokos. It was an exciting match until the finish, when Dan McDonald, the referee, awarded the match to Prokos, and then there was considerable disorder, as the audience did not agree with the decision, and while they listened to a short speech by Ludecke, and cheered him, they greeted McDonald and Prokos with hisses and howls, and refused to listen to them.

So great was the disorder that it was found necessary to lower the curtain and shut the referee and the principals of the match from the view of the audience.

Before the match commenced a telegram was read from a Boston manager to the effect that he was ready to match an unknown amateur winner of the Prokos-Ludecke match, for five hundred dollars. This was received with applause, and then Dan McDonald stepped to the footlights and stated that there was nothing to it, and that no unknown could wrestle the winner of the Saturday bout, because the winner had to meet a man he was going to bring from Montreal that he was promoting matches and knew what he was doing. McDonald took a great deal on himself in stating that the winner of Saturday's match could not meet the unknown, as it might be stated that the telegram was received by the sporting editor of The Standard and is genuine, and furthermore, if Prokos, who has turned out the winner of the match, wishes to meet the unknown at the terms offered, he is at liberty to do so, and Mr. McDonald has nothing to say about it, as the promoting of matches is open to any person and is not bound down to any one person.

As a preliminary bout Saturday night Mattison the Finn, and Jack Seymour gave a very good exhibition for fifteen minutes without a fall, and then the main bout of the evening was called on. For forty-three minutes Prokos and Ludecke worked together well, when a scissor hold Ludecke managed to pin Prokos' shoulders to the mat. After a short rest the two men went at it again and with a Nelson, Prokos won a fall from Ludecke in twenty-nine minutes.

The match was apparently pleasing to the audience and there was plenty of applause for both men. In the last period everything was going along nicely for twenty-nine minutes, when Prokos picked Ludecke up and threw him off the mat on to the hard stage. Referee McDonald also got in the way and he too was knocked over. The fall dazed Ludecke and he was immediately pulled on the mat. Prokos jumped on him and McDonald awarded the fall to Prokos and declared him the winner. This did not suit the audience and there was great disorder. Ludecke stepped to the footlights and claimed that he had been unfairly treated and asked the audience that if he should ever appear in St. John again would they stand by him and he was cheered to the echo. McDonald and Prokos then attempted to address the audience, but they were howled at and such a noise was created that they could not be heard. To put an end to the great disorder the curtain was lowered.

After the show, one man who claimed that he had won money by betting on Prokos, said that he thought he would not accept the bet as he felt sure that Ludecke was not fairly treated.

F. J. McCallHuddy was the timer.

Chicago, Jan. 16.—Eddie Collins will be playing for the White Sox for the next five years if he lives. There's no truth in the report from New York that he's to be turned over to the Yankees. Do those fellows down there think that I'm buying star ball-players just for the winter?

So spoke President Comiskey of the South Side team over the long-distance telephone today. Comiskey is at Excelsior Springs, Mo., and when informed by telegram that a story had come out of New York stating he was to turn over his new second baseman to the Yanks, the old Roman wasted no time in denying it.

UPPER CANADA HOCKEY

Toronto, 3; Quebec, 1.
Toronto, Jan. 17.—In a game which was almost devoid of any redeeming features, the champion Torontos at the Arena last evening defeated the Quebec team in the N. H. A. by a score of 3 to 1.

The line-up: Toronto: Goal, Holmes; Defence, Carpenter, Cameron; Forward, Wilson, Porstner, Walker. Quebec: Goal, Moran; Defence, Hall, Mummery; Forward, Crawford, McDonald, Marks.

Varsity, 3; University, 2.
Toronto, Jan. 17.—Yale University hockey team, of New Haven, made their initial appearance here yesterday afternoon, when they played an exhibition game with Varsity's Inter-Collegiate team, and were defeated by 3 to 2. Close to 600 were on hand when the game commenced.

Ottawa, 4; Wanderers, 3.
Ottawa, Jan. 17.—In the presence of a record crowd, the Ottawas defeated the Wanderers last night by 4 to 3, thus tying them for first place in the N.H.A. champion race. It was fast hockey, marked by terrific checking and body work, and the Ottawas clearly earned the verdict. The crowd battered down doors and broke windows in the wild scramble for seats. At 8.15 the rink was packed and the police ordered the doors closed, hundreds being turned away. About seven thousand succeeded in getting in.

Broadbent was banished from the match for striking Gosler McCarthy over the head.

GLACE BAY TRIMMED NEW GLASGOW

Glace Bay, N. S., Jan. 17.—Glace Bay's appearance in Maritime professional hockey was a brilliant success, for on Saturday night they won a decisive game from the New Glasgow Black Foxes, defeating that team by the score of 10 to 2.

The showing of the home team against the visitors was a great delight to the 700 fans present. The game was not so one-sided as the score would seem to indicate, for the Foxes played a fine game. Their combination work was somewhat more in evidence than that of the Glace Bay team, but it was in most cases broken up by Jimmie Williams, Kyle or Chisholm on the defence. For the greater part of the game the locals had the better of the ice, and when the forwards got away they generally had no difficulty in finding the net, although Morrison made some hard stops. The New Glasgow team was playing under a handicap as a result of a hard game with Sydney on Friday evening, but they had lots of speed.

For Glace Bay Jimmie Williams played a star game and netted six of the ten goals, Wilson getting two, Fraser and Kyle each one. Kyle at point was a tower of strength to his team. Chisholm, formerly of the Halifax Socials played good, white cross in goal was brilliant at all times.

The line-up: Ontario: Goal, Lesurer; defence, Howard McNamara and Geo. McNamara; wing, D. Smith; centre, Ronan; wing, Skinner. Canadiens: Goal, Vezina; defence, Corbeau and Laviolette; wing, T. Smith; centre, Lalonde; wing, Pitre.
