Douglas Ave. Rails Company Sharply Criticized at Common Council Session—Other Business Transacted.

The stand of the New Brunswick Power Co. in the matter of rails on Douglas Avenue was sharply criticized at the council meeting yesterday morning by Commissioner Thornton, who stated that he would take up the rails and go ahead with the paving if the company would not put down the rails they had promised to. It was decided to pay W. C. Goodwin half pay for a part of the time he was overseas, according to resolution of council passed in November, 1914. Tenders for Winter street and for paving were opened and referred to the commissioners of the various departments and Commissioner Bullock was given authority to go ahead with the repairs to North West.

Mayor Schofield brought up the matter of a claim by W. C. Goodwin for half pay while overseas, under a resolution of the council empowering the commissioner of public works to pay this bonus to members of his staff enlisting. He reported having made an investigation and recommended that Mr. Goodwin be paid for 36 1/2 months, a total of \$861.35. Carried.
