

Twelfth Annual Report of the Brampton Auxiliary to the W. F. M. S.

The record of our work during the past year is on the whole encouraging. Although the report may not show an increase in membership or contributions, we feel that the individual interest is greater.

Our total membership, including 22 "Scattered Helpers," is 76. The amount of money contributed during the year was \$102.32; and a bale of clothing valued at \$7 was sent to the Northwest Mission Schools. In April we had the pleasure of hearing an instructive paper on "Christian Giving" read by Mrs. Elliott, President of the Orangeville Presbyterial Society. Mrs. Gray, our former President, and Mrs. Grant, Home Secretary, were present at our Annual Thank Offering Meeting in October.

On November the 30th the Rev. Wm. Patterson, of Toronto, delivered an address on "Our Work" under the auspices of the Society.

May each member during the coming year show an increased devotion to the work for which as a society we are banded together.
