ZERO HOUR!

Wolfville G. W. V. A. Over The Top

OUR Objective:
Alteration of Memorial Monument

Fellow Citizens of Wolfville:

Actuated by the ties of brotherhood which bind us to our fallen comrades—impelled by a sense of our duty to perpetuate the memory of their great sacrifice—and moved by a desire to be of service to the beautiful Town of which we have the honor to be citizens, we have taken upon ourselves the task of instituting alterations in our War Memorial Monument, that it may more fully express our tribute of love and honor to them and be more in accordance with the spirit and beauty of our Town.

It is unnecessary to point out that the present Monument is not a "thing of beauty", and that no part of it is, in any way, indicative of its purpose.

The Honor Roll, bearing the names of those in whose honor the Monument was erected, we think, should be placed in such a position as to keep those honored names prominently before the public.

We think that our proposal, as shown in the accompanying cut, will remedy both of these defects.

WE PROPOSE

1. REMOVAL OF THE PRESENT TOP
2. ERECTION OF A BRONZE FIGURE, "ON GUARD"
3. LOWERING THE HONOR ROLL

Contributions may be sent to

STAND TO!

We Must Have Your Support

YOUR Objective:
Alteration of Memorial Monument

We know that our proposal has your full approval. The cost will be approximately \$2600.00. But we feel that no question of cost should turn us from performing this sacred duty. A considerable amount has already been pledged, the Veterans are giving and will give to the limit of their several abilities, but we want your support.

We do not propose to canvass the Town; we shall have no Tag Day; we know that begging is unnecessary; for we have every confidence that each and every citizen will be glad of an opportunity to contribute.

We set no limit on contributions for we know that each man, woman, child, association, partnership or corporation will give to the utmost of his, her or its ability.

Large sums and small will be received, by the Committee, with equal gratitude and promptly acknowledged.

We shall be pleased to receive pledges for weekly, monthly or quarterly payments covering periods up to one year. This is for the benefit of those who prefer not to pay cash and applies to contributions of \$5.00 and upwards.

COMRADES AND CITIZENS

WE HAVE A COMMON INTEREST, as Wolfville citizens OBJECT, to Honor the fallen DUTY, to do our utmost.

Contributions may be sent to

Wolfville's Water System

Should be Adequately Guarded

Thanks to the enterprise and foresight of Wolfville citizens of the long-ago—most of whom have now passed off the mortal stage—we today enjoy the advantages of an abundant supply of excellent water. It seems incredible that in those early days there should have been the strenuous opposition which prevailed when we consider what such a water-system as we enjoy means in the way of comfort and safety. That there was a very decided opposition that was barely overcome is a matter well within the memory of a number of our people today. The writer well remembers a momentous meeting when his vote gave the majority which enabled the water to proceed.

To such men as the late George V. Rand, Donald A. Munro, Fred Brown, and numerous others whom we might name, we are indebted for this splendid asset which is of such recognized value today. In the intervening years others have contributed to the efficiency of the system and freely "done their bit" in this regard.

This summer we have further safeguarded our supply by the provision of an excellent artesian well which it is hoped will prove an unfailing source in case of possible emergency. This well is properly equipped in the course of a few days and tend to give us a feeling of security when the day of drought come on.

What else are we doing to improve our water-supply and to assure its efficiency? A few days ago a representative of THE ACADIAN visited the reservoirs and lands adjoining, viewed the new well and was pleased to find in evidence an abundant supply of good water in spite of the unusually dry season which has prevailed.

He was not pleased, however, with the neglected appearance of the property. These grounds ought to be made a thing of beauty and a source of pride to citizens. At present they are not. Protection to the water-supply should be afforded by the construction of such fences as would prevent the possibility of trespass on the part of anything that might be inclined to pollute the same. At present the fences are down and the grounds and reservoirs are open to the public in the form of either man or beast. On Sunday a Gypsy encampment occupied the lot at the end of the new reservoir with their horses and outfit. These things ought not to be. Furthermore we should acquire, if necessary, the lands adjoining and have the buildings which now exist

MARRIED

SHAW-HAGGARTY.—At the Baptist Parsonage, Wolfville, on Wednesday, July 20th, by Rev. J. H. MacDonald, D.D., Nellie May Haggarty, of Halls Harbor, to John Howard Shaw, of Kentville.

MESSENGER-CHATTERTON.—At Vancouver, July 14th, Ada Lyell Chatterton, to Clarence Ross Messenger, son of the late Lewis Messenger, of Wolfville and Mrs. Messenger, of Vancouver.

here to be removed entirely.

There should be inaugurated at once a campaign for the protection and improvement of the property which is of such inestimable importance and of such great value to the community. Citizens should see to it that this work is undertaken at once and completed with the least possible delay. We cannot afford to further neglect this most important of our public interests.

The New Boys' Camp

For quite a good many years back the Wolfville Boy Scouts have enjoyed the delights of a yearly camp at Black River Lake where most enjoyable and profitable times have been spent. During the past year or two other boys from different sections of the country have also enjoyed the privilege of the camp, which has attracted during a week or two in August visitors from all parts of the county.

The Camp site, at Black River Lake, while in many ways an excellent one, was far from ideal, and when Dr. M. C. Smith, of Lynn, Mass., a former Kings county man and a native of Port Williams, signified his willingness to present to the boys a new site the suggestion was very gladly received by the Boy Scouts Council, and after considerable investigation the selection of a site at Sumpter Lake was made. The new location is a most delightful one and especially adapted by nature for a boys' camp.

Sumpter Lake, commonly known as "Sunken Lake", is about nine miles from Wolfville on the South Mountain. It is reached by going to White Rock and up the mountain and with good roads all the way the journey is an easy and pleasant one.

A representative of THE ACADIAN had the pleasure of visiting the new camp on Tuesday through the kindness of Mr. Edson Graham, one Wolfville's most actively interested citizens in work for boys. Mr. G. K. Prescott also was a member of the party which enjoyed the drive immensely—out through the Deep Hollow Road and up the mountain side, and thence on to the approach to the lake through the premises of Mr. Charles Nowlan.

Work was begun some days ago by such interested citizens as Scoutmaster Brown, Capt. John Pratt, Prof. Sutherland, Dr. Clarence Hemmeon, Messrs. G. K. Prescott and Edson Graham and others and the result is a commodious and comfortable building 50 x 12 with cook-house adjoining—now practically completed. This is located on a bluff adjacent and overlooking the beautiful lake which is well adapted to boating, swimming and other sports.

A lot of good work was done on Tuesday and the boys who were included in the party were no less enthusiastic or active than the men.

The new camp will be occupied by the Scouts next month when an unusually successful outing is anticipated. Certainly those who participate in any part of it should find conditions ideal and congratulate themselves that their interests

Wolfville Defeats Kentville

In Exhibition Cricket Match by 35 Runs

A friendly game of cricket was played at Porter's Field on Saturday afternoon between elevens from Wolfville and Kentville. The weather was ideal and a good game was played. The result was a win for the local team, the score being 58 to 23. The scoring was as follows:

We predict that "Visitors Day at the camp will this year exceed in number and interest anything so far held, and would advise all who can possibly do so to make sure of being present on that day.

Missionary Conference

The Tenth Annual Missionary Summer Conference for the Maritime Provinces is in session this week in Acadia Seminary building.

Upwards of one hundred eager enthusiastic delegates are in residence while a number in addition are being entertained in the homes of friends in the town.

These delegates cover a wide area. Newfoundland, Prince Edward Island, New Brunswick and Nova Scotia are all represented.

An exceptionally fine staff of leaders and missionaries is conducting the various courses that are being given. The Bible Study which is one of the outstanding features is being conducted by Rev. Prof. Falconer of the Presbyterian College, Halifax.

The Mission Study Courses include a course on India by Rev. Malcolm Orchard, assistant secretary of the Canadian Baptist Mission Board; China by Rev. Frank Dickinson, of West China; one on Korea by Rev. Dr. Foote, of Korea; one on World Friendship which discusses the various departments of the Foreign Missionary Enterprise by Rev. H. C. Priest.

The mornings are devoted to a full programme of study; the afternoons are given over to sports and recreation and the evenings to a series of addresses on life service followed by a Platform Meeting addressed by outstanding speakers and Missionaries, to which the friends in the town are heartily welcomed.

The opening meeting on Tuesday evening was addressed by Dr. DeWolfe and Dr. W. T. Gunn, General Secretary of the Congregational Union of Canada.

On Wednesday the meeting was held in the auditorium of the Baptist church when the Missionaries at the Conference were introduced. These included Miss Martha Clark, Dr. Zella Clark, Rev. S. C. Freeman and Rev. M. Orchard, of South India; Rev. and Mrs. Frank Dickie, of West China; Rev. Dr. Foote and Mr. Miss Edna McLennan, of Korea; and Mr. Kang, a native Korean whose short address in excellent English made no small impression, more especially in view of the fact that he has been in Canada only a little over a year and a half and when he came to this country knew no English whatever.

The address on Thursday evening was given by Dr. W. T. Gunn, and was a vivid presentation of our situation in Canada and the challenge it makes to the Christian churches.

At these evening meetings, Korea, India and China in turn will be passed

Pretty Wedding

A wedding of much interest to Wolfville people took place at the First Baptist church, Truro, at 7.30 o'clock on Wednesday evening when Rev. Clarence Bleakney, of Bridgewater, Mss., son of Mr. and Mrs. A. W. Bleakney, of this town, and Miss Violet Foshay Olive, daughter of Mr. and Mrs. J. C. B. Olive, of Truro, were united in marriage.

The ceremony was performed by Rev. Earle A. Kinley, pastor of the church, who was assisted by two brothers of the groom, Rev. E. M. A. Bleakney, of Hyde Park, Mass., and Rev. Guy G. Bleakney, of Braintree, Mass.

The church was handsomely decorated for the occasion and was completely filled with interested spectators.

To the strains of Mendelssohn's wedding march played by Miss Winnifred Parks, the bride entered the church on the arm of her father. She was attired in white satin with silk Brussels lace and carried a bouquet of white roses. The bridesmaid was Miss Estella Bleakney, sister of the groom, who wore white satin with pink georgette and hat to match, her bouquet being of red roses. Mr. G. W. Hackwell, of Bridgewater, Mass., supported the groom. The flower girl was Miss Jeannette Foshay, of Wolfville, who was dressed in blue organdy, and the ushers were Messrs. Ross Barteaux and Herman Mahon, of Truro.

During the service a solo was exceedingly well rendered by Miss Rita Cusack.

Following the ceremony a largely attended reception was held at the bride's home, and the happy young couple left for Halifax on the Ocean Limited. The bride's travelling suit was of blue duchess satin.

The presents were numerous and beautiful, the groom's gift to the bride being a handsome piano.

Among the many out of town guests were Mr. and Mrs. Alex. W. Bleakney, Wolfville, parents of the groom; Mrs. F. A. Parker, Berwick; Mrs. G. G. Armstrong, Manchester, N. H.; Mr. and Mrs. Walter Baldwin, Sussex; Mr. and Mrs. W. C. Bleakney, Wolfville; Miss Amelia Foshay, Springfield, Mass.; Mrs. L. W. Sleep, Wolfville; Mr. and Mrs. Otto Foshay, Wolfville; the Misses Wickwire, Wolfville; Miss Caldwell, St. John.

under review by representatives from those lands.

Such a group of Missionaries and leaders representing the various Churches and many mission fields presents an exceptional opportunity of rare value of which the churches throughout the Provinces are more and more each year taking advantage.
