

the said Act, relating to *Manitoba*," inserted instead thereof; and which amendment to the said proposed amendment was, That all the words after "That" to the end thereof, be left out, and the words "irrespective of the merits of the measure proposed by the Government of *Canada* to be submitted to the Imperial Parliament for the purpose of confirming certain Canadian Legislation, depriving the Parliament of *Canada* of certain existing powers, and altering the *British North America Act*, 1867, this House would be wanting in its duty, if it did not express its decided opinion that no such Imperial Legislation should be asked for by the Government of *Canada*, except after the details of such proposed Legislation shall have been submitted to both Houses of the Parliament of *Canada* for their judgment, and Addresses of such Houses to the Queen, praying for such Legislation shall have been passed," inserted instead thereof;

Mr. Speaker gave his decision on the point of Order raised on Thursday last, by Mr *Harrison*, as follows:—

"The amendment proposed by the Honorable Member for *Hochelaga* is in Order. It proposes to the House a resolution which is substantially the same as that involved in the Original Motion, but it omits considerable matter of recital both of fact and law, and in that respect, I think, the proposition is one which the Honorable Member may propose as an amendment. He may say very properly, as he does say, that he has no desire to commit the House to the recitals which form a part of the Original Motion. I think the Motion is therefore in Order."

And the Question being put on the amendment to the said proposed amendment; the House divided; and the names being called for, they were taken down, as follow:—
