			<p>Weather cloudy - no cross country flying. 403392 IAC Yates (Aus) ground-looped Harvard 2558 on the aerodrome, a C.3 crash, and (will probably require three days for repairs) Pilot uninjured.</p> <p>Information was received that No. 2 S.F.T.S. is to be the scene for at least part of the movie "Captains of the Clouds", being produced by Warner Brothers, with Olivia DeHaviland and James Cagney in the leading roles, the Director being Michael Curtiz. Naturally, considerable excitement reigns here, especially as we understand that around one hundred technicians, etc., are to be quartered on the Station. Shooting of the various scenes is to begin in about two weeks.</p>	X
