

I came up from N.Y. this
Ming. The stock keeps
steady then but the
demand for it comes
from the other side
entirely. The Yankees
are beginning to realize
what the C.P.R. means
& do not like it all
our \$10 rate for immigrants
from Montreal to
Winnipeg has fairly
upset all their calculations.

They see we mean
to settle up the country.
The one thing I am
anxious about is that
something should be said
in the House that our
evidence could twist
into a statement that
the C.P.R. had exhausted
its resources. My intention
is that the resources of
the Coy are ample for
all its purposes. If their
resources are only fairly
dealt with. That
