Ottawa, 16th July, 1908.

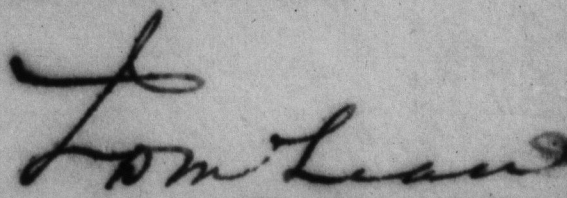

Sir,

With reference to the form of application which you forwarded from the Indian Francis W. Jacobs for a loan of \$250.00 from band funds to enable him to drain his land, I beg to say that in view of the fact that this man re-paid in full the loan previously made him, and as he evidently is endeavouring to improve his condition the Department is disposed to grant his request.

I return herewith the form of application in order that the agreement as to mortgage therein may be completed, after which the form should be returned to the Department.

There is no objection to the work being commenced. Payment will be made as the same progresses, upon the presentation of satisfactory accounts in detail and in duplicate, duly certified. The amount of the loan must not be exceeded. You should see that the expenditure is judiciously made.

Your obedient servant.

Secretary.
