Ottawa, 26th March, 1912.

Sir,-

I beg to inform you that an order has been given to the Nordheimer Piano & Music Company, of Toronto, to supply the instruments required by the Sarnia brass band. It is anticipated that the instruments will be found satisfactory in every respect, but you should report in the matter after the Indians receive them. The contract price is \$439.25. Brass instead of silver-plated trombones are to be furnished. If the instruments are satisfactory, you may certify the account which is also being sent you and transmit it to the Department for payment.

Your obedient servant,

Asst. Deputy and Secretary.

R. C. Palmer, Esq.,
