NOTICE

1. This should be retained no longer than absolutely necessary. If a file is frequently needed at short intervals, it is better to B.F. it for two or three days than keep it out of Central Registry indefinitely. This course is being completed and kept in order, and also gives other offices an opportunity to view it. (100-1011011-14-22-2215)

2. Central Registry should be notified whenever a file is passed direct to another branch.

3. All outgoing letters should have the official file number.
