3<sup>rd</sup> Witness - Capt. R. C. Miller formerly 2<sup>nd</sup> Lt. <sup>Exhibit</sup>  
8 Cdn Recce Bn. Identific forms A1FC 862<sup>4</sup> produced.  
states that usually if man issued with a revolver  
it would show on these sheets - sheets produced  
are bogus - might be shown of 108.

On 7 Feb 44 ~~at~~ <sup>at</sup> Sgt Rose Prov Corps came to  
in my bar stores asked for Robert Boyer  
he was absent so Sgt Rose was shown in town.  
I was in the room when Sgt Rose questioned  
Boyer <sup>regarding</sup> ~~attending~~ to a written paper he had -  
asked Robert Boyer if he would sign it -  
which he did - I did not know what the  
statement contained.

Def officer - did you hear discussion between  
Rose & Boyer - part of it yes.

Did discussion refer to selling a revolver -  
yes. Did you discuss it with Boyer - No.  
From memory points were that Boyer ~~had~~ had  
received money & that Sgt Lacey had received a  
pistol - my impression from what I heard was  
that there was no clear intention of sale  
rather that the pistol had been given as  
security.
