

WOMEN'S CONSERVATIVE CLUB

SEND "GOODIES" TO THE BOYS

THIS is another organization that has worked in season and out of season for patriotism. The things they have done to raise money and the various comforts they have sent overseas would make a book in themselves. Their total is 1,445,513 articles, besides 35 barrels of jam, 800 pounds of lump sugar, and specially addressed boxes and packages of Christmas cheer. Mrs. Van Koughnet is the President.

MILITARY HOSPITALS COMMISSION WORK

MORE OF MRS. VAN KOUGHNET

IT is a Toronto woman, too, who has charge of the work in connection with Comforts for Military Districts 1, 2 and 3. Mrs. Van Koughnet as Hon. Superintendent, with offices at 71 King Street West, has had charge of comforts to the value of \$13,899.00.

CONSERVATION OF RESOURCES

TORONTO NEWSPAPER WOMEN ACTIVE

ANOTHER channel through which patriotism has and is expending itself is the women's work in the Government enterprise for the Conservation of Resources. This teaches and inculcates Food Production and Conservation together with general economy in the interest of the country. Mrs. L. A. Gurnett, formerly of the "Mail and Empire" of Toronto, is in charge of the women's work of the Province.

Miss I. M. Ross, formerly of the "News," is now identified with the Food Control Office at Ottawa.

THE THRIFT COMMITTEE

UNDER its energetic chairman, Mrs. Rosemore, the Thrift Committee carried on a successful campaign, principally as an educative factor to teach economy to the housewives and citizens generally. It was very successful in the work of its Garden Committee, through the leadership of Mrs. J. M. Tyrrel and Mrs. J. M. West; its Savings Committee under Mrs. H. D. Warren; the distribution of the Food Pledge Cards and its general principles of conservation. Mrs. L. A. Gurnett was able to give the work much assistance through her knowledge of food conditions. Miss Church was Secretary of the organization.
