

**GENERAL REMARKS.**

APPLICABLE TO EITHER BRANCH.

The Institution has been opened and in successful operation many years. The arrangements which were made for the accomplishment of the important object for which it had been founded, were such as obtained for it a high position in the public estimation, very early in its history; and those upon whom the direction of its affairs has devolved, have been stimulated and encouraged by its prosperity to continued efforts to render it, in all its departments, ever increasingly efficient. Each year has consequently been marked by valuable additions to its educational facilities, and by more or less extensive general improvement throughout the establishment. And as it will continue to be conducted upon the same principles which have secured for it such enviable and distinguished popularity, and such extensive and continued patronage, the attention of the public generally, and of the parents and guardians of youth especially, is confidently but respectfully invited to it, as an Institution where, under most favorable circumstances, the advantages of a thorough intellectual training may be obtained in safety and comfort.

**SITUATION, BUILDINGS, &c.**
