Ideal Milk Ticket

THE old-fashioned pass book has been discarded by every up-to-date factory.

The Ideal Monthly Statement Card has taken its place. It is made of stout Manilla, and can either be delivered by the milk hauler or sent to the patron in an ordinary envelope. On back of card rules are given for "The Care of Milk." The Cards are now ready; order early.

Price: 25c. for 100; or a package of 1,000 for \$2.00, post-paid.

A factory of 100 patrons will require from 800 to 1,000 tickets during the season.

PAYS BETTER THAN A SAVINGS BANK.

Owing to its many money saving and money earning qualities, there is no better investment that a Dairyman can make than a U. S. Cream Separator. 5 or 9 cows and a U. S. Separator are equal to 10 or 11 cows without one, to say nothing about the cost of feeding and labor saved. Dairymen who are getting along without a separator, thereby hoping to save the expense of buying one, are making a grave mistake, as they are sure to find out sooner or later. Many have wished they had bought sooner, so will many others when they know the superior qualities of the U. S.

If any Dairyman was sure he would save enough the first year to pay for his separator, wouldn't he buy? Well that is just what hundreds and thousands of purchasers of the U. S. Separator have done, and some have made enough in six months.

If you keep cows, write the VERMONT FARM MACHINE CO., BELLOWS FALLS, VT., for their Booklet "How to Make Money," which tell of a few of the many profitable experiences of users of
