LISTER IDEAL THRESHER

Made in Three Sizes, for 5 to 12 Horse-power

Why pay \$50 to \$75 per day to some other person to do your threshing when you can buy your own outfit, including power, for around \$500, and can save the outlay the first year by utilizing the power for other farm work? Why allow your fall plowing to be all upset by having to break off in the middle for threshing, when with your own outfit you can be your own master and thresh at your own convenience.
