FALL THE TIME TO FENCE!

A very successful farmer says that he has found it much better to put up fences in the fall, from the time when harvest is over until the ground is too solidly frozen to set posts. Posts set in the fall keep more solid than those set in the wet, spongy ground of spring. The rush of farm work is not so great as at spring seeding time. Then, if it is Page fence you put up, it will not drift snow during the winter as the old board or rail fence will. It will give a satisfaction to you to see how well your Page fence goes through the winter, when you compare it with the makeshift wire fences.

Write for particulars to
The Page Wire Fence Co. of Ontario, Ltd.,

WALKERVILLE, ONTARIO.

The words of praise spoken of the merits of The Locked Wire Fence from the people that examined our exhibit at the leading fairs, also the testimonials that we have received from farmers and others that have the fence erected on their lots and farms, are very flattering indeed. And now, as the leading fairs are over, we are prepared to fill all orders that may be given us satisfactorily for lawn, farm and railroad fence. Our superior wire gates, which combine strength, lightness and durability, should be on every farm. Prices to suit the times. Agents wanted in unoccupied territory. Correspondence solicited.

Ingersoll, Ont.

SASKATCHEWAN BUFFALO ROBES

Received Highest Award at World's Fair.
HAVE HAD SIX YEARS' EXPERIENCE IN CANADA.

We guarantee every robe to be absolute wind, water and moth proof, and will not wear bare in spots like a skin robe. They will dry quicker and never get hard, are as strong as leather and far more durable and warmer than any cheap fur robe. The robe is made in three parts—the Fur Cloth, the Astrachan Lining and Rubber Interlining. All these parts are without seams. The increased sale of these Robes is the best evidence of their popularity. Others having noted the great sale and popularity of these Robes have undertaken to imitate them. We would caution the public that none are genuine unless bearing this Trade Mark. Manufactured by

CHAMPION EVAPORATOR

For MAPLE, SORGHUM, CIDER, and FRUIT JELLIES. Has a corrugated pan over fire, doing a boiling capacity; small interchangeable syrup pans (connected by siphons), easily handled for cleansing and storing; and a perfect automatic regulator. The Champion is as great an improvement over the Cook pan as the latter was over the old iron kettle hung on a fence rail.

BOYS FOR FARM HELP

The managers of Dr. Barnardo's Homes will be glad to receive applications from farmers or others for the boys whom it is proposed to send out from England in several parties during the coming season. All the young immigrants will have passed through a period of training in the English Homes, and will be carefully selected with a view to their moral and physical suitability for Canadian life. Full particulars, as to the terms and conditions upon which the boys are placed, may be obtained on application to **MR. ALFRED B. OWEN**, Agent, Dr. Barnardo's Homes, 214 Farley Ave., Toronto. 4-y-0
