

Applying Wall Board to Studding

For a Better House--At Lower Cost--In a Month Less Time--Use

BISHOPRIC WALL BOARD AND SHEATHING

Bishopric Wall Board is made in sheets 4 x 4 feet by imbedding dressed laths, under 500 lbs. pressure, in one side of a sheet of hot Asphalt-Mastic and surfacing the other side with sized fibre-board. It comes to you in crates of 16 sheets, ready to nail on the wall, and any handy man can put it on in far less time than skilled workmen can apply lath and plaster.

Bishopric Wall Board goes on DRY, so that you can move into the house the day it is finished, without weeks of waiting for it to set and dry.

On account of the lath (and Bishopric is the only Wall Board made with lath) it makes a flat, rigid, substantial wall. On account of the patented Asphalt-Mastic it makes a moisture-proof, rat- and vermin-proof, fire-resisting wall, warm in winter and cool in summer. On account of the surface of sized fibre-board it makes a wall that is easily painted or papered.

The first cost of Bishopric Wall Board is less than that of lath and plaster—it never falls off, so costs nothing for repairs—and it saves on the fuel bills every winter.

If you are building or remodelling, write us—a post card will do—it will bring you information of real dollars-and-cents value. Address Dept. "L."

Working Plan for Bishopric Model Home:—Send six cents to cover cost of mailing to our office in Ottawa, and we will send you architectural plan for building, etc.

Bishopric Stucco Board, made specially for stucco work. Write for sample.

Accuracy at the Traps

THERE is a great deal of satisfaction in being absolutely sure of every shot. The fascinations of trap shooting are doubled when you use

High scores at the traps are made only when the shells are perfect in every detail. The sure fire primers, quick combustion, high velocity and close pattern are reasons why Dominion shells continue to make such high averages. Dominion shells insure positive operation of repeaters and double guns, and every one bears an unqualified guarantee. Your dealer carries them.

Weatherproof is expense-proof
Trinidad Lake asphalt makes roofing lastingly tight against rain, sun, wind, snow, heat and cold. This is the everlasting waterproofer of Nature. We use it to make

Genasco THE TRINIDAD-LAKE-ASPHALT Ready Roofing

Because it gives absolute protection Genasco is economical roofing—it costs less in the end. Ask your dealer for Genasco. Mineral or smooth surface. Look for the hemisphere trademark. The Kant-leak Kleet is in every roll of smooth surface Genasco. It water-proofs seams without cement and prevents nail-leaks.
