**MOTT'S BROMA.** The following observations having reference to the preparation of Bromia, appeared in a number of the Boston Medical Journal:

"A few years since a great manufacturer of Bromia sought the opinions of many medical gentlemen of distinction, for the purpose of having an unobjectionable food for invalids, and was assured that he had fully succeeded. Hospitals, Invalidaries, and households generally should always be provided with it. When cruel, arrow-root, grapes, barley, starch, rice, farina, and many other things ordinarily resort to or patients are of no utility.

Use it as a beverage will have manifest diuretic advantage over the constituents of tea and coffee. We see it stated that during the last summer those individuals who were continually using Chocolate or Bromia neither had attacks of cholera or dysenteric affections, while others of the same families, taking their daily potations in tea, coffee, or simple cold water, were the sufferers, if any.

We can vouch for the truth of this, but it has recurred to mind the statement that the oil dealers in London have been free from Cholera or the cholero-syndromes. And it has been further observed that persons who were taking cod liver oil for chronic difficulties, during the prevalence of the late epidemic, were not affected by it.

Vegetable oil in the first instance, and animal oil in the last, taken internally, would appear, by these statements, to have secured those who took them from the shafts of the pestilence. It is certainly a point well worth while to determine, whether the chocolate drinkers have been secure in other infected cities."

Mott's Bromia has now been before the public for a considerable period, and along with the commendations of the Medical Faculty of this and the neighbouring Provinces, it has received the approbation of all classes of consumers. It is held to be an article of standard reputation, and the demand for it is constantly increasing.

**IFR AND FIRE INSURANCE.** The Undersigned has been appointed Agent for the "TRENTON MUTUAL LIFE INSURANCE COMPANY OF TRENTON," United States, and having previously to taking the Agency, received satisfactory proof of the good standing and respectability of the Institution, he begs to inform the public generally that he has no prepared to issue Policies for eligible risks at moderate rates of premium, and to receive proposals for Life Policies, which will be forwarded to the Directors, and if accepted, Policies will be immediately returned. The Capital Stock of the Trenton Mutual is now \$55,000, well situated in good productive Stocks, Mortgages on Real Estate, and Cash in Banks—and is doing a very large and active business from its commencement in 1847, a very successful business.

In the Life Department they issued the first year, ending 1st October 1848, 57 Policies—a number which very few Companies of long standing ever reached in the same time. The benefit of the mutual system in Life Assurance is very apparent, and is most favourable to all Policy Holders in this Society, because as they receive a portion of each year's profits yearly, being deducted from the Premiums then payable, which are lower than any of the English Companies, and not subject to stamp duty—all the partial salaries of which are fully set forth in the Pamphlets which the Agent has for distribution, who furnishes all Blank and every necessary information, together with the Medical Examiner's Certificate gratis. All persons intending to insure are invited to call on the Agent, who will give them every information.

Rufus S. Black, Esq., M. D. is Medical Examiner for the Company.

Agent.

### ABDOMINAL SUPPORTERS, TRUSSES, INHALING TUBES, &c.

**M. HERBERT** is now manufacturing ABDOMINAL SUPPORTERS on the latest and most improved principles. It has been asserted by a Medical Gentleman of the largest experience in Pulmonary Complaints, that one third of the cases of Pulmonary Consumption, with a host of other diseases, originate in the swelling of the bowels caused by the relaxation of the Abdomen at Myselv, such as—Weakness and Loss of Voice and Disease of the Air-passages; Short Breath and Wheezing; Breathing of the Heart; Shaking, feeling, and All Gones of the Pit of the Stomach; Diseases of the Liver, Breaking away of the Bowels themselves; Piles, Gravel, Pain and Weakness, threatening Disease of the Spine, Swelling of the Lower Extremities, with various diseases peculiar to the bowels, &c. &c.

The greatest number of these diseases cannot be cured without, but in general may be cured with, abdominal supports, &c.—which did the above Supporters are present neatly calculated to afford.

M. Herbert's Abdominal Supporters have been inspected by most of the Medical Gentlemen of Halifax, and were highly approved of by all who examined them. They weigh but a few ounces—allow the most untrained person of the body—whilst the only feeling produced by them is that of support and comfort.

M. Herbert is also manufacturing RUBBER TRUSSES, which are constructed on principles the most modern and improved.

He will also keep on hand VALVELESS INHALING TUBES. These instruments are valuable auxiliaries to the Braces and Supporters, for all Contractions of the Chest—flat chest, stooping chest, pain in the chest; in cases of Cough; in all cases after Pleurisy or Consumption of the Lungs; in all cases of Asthma; in all cases of Loss of Voice, Weak Voice, Hoarseness and Weak Throat; in all cases where the Breastbone or Hals contract or fall down upon the heart, and prevent its free action; in all cases of shortness of breath, and when the chest does not expand well; in the cases of all persons who are in any way predisposed to diseased lungs by family history, or long sickness or confinement to bed; in many cases of Dyspepsia, &c. &c.

All the above with Herbert's Ladies', Gentlemen's and Children's CHEST EXPANDING BRACES are for sale wholesale and retail at M. Herbert's ESTABLISHMENT, No. 6 Argyle Street.

### TRY ERE YOU DESPAIR. HOLLOWAY'S PILLS.

#### CURE OF ASTHMA.

Extract of a letter from Mr. Benjamin Mackie, a respectable Quaker, dated Greenbank, near Loughall, Ireland Sept 11th, 1840.

#### Professor Holloway,

RESPECTED FRIEND.—My excellent Pills have effectually cured me of an Asthma, which afflicted me for three years to such an extent that I was obliged to stay at night for air, afraid of being suffocated if I went to bed by cough and phlegm. Besides taking the Pills I rubbed plenty of the Ointment into my chest night and morning.

(Signed) BENJAMIN MACKIE.

#### CURE OF TYPHOID FEVER, WHEN SUPPOSED TO BE AT THE POINT OF DEATH.

A respectable female in the neighbourhood of Loughall, was attacked with Typhoid Fever. She lay for five days without having tasted any description of food. She was given over by the Surgeon, and preparations were made for her demise. Mr. Benjamin Mackie, the Quaker, whose case is referred to above, heard of the circumstance, and knowing the immense benefit that he himself had derived from H. Holloway's Pills, recommended an immediate trial, and eight were given to her, and the same number was continued night and morning for three days, and in a very short time she was completely cured.

N. B.—From advice just received, it appears that Colonel Dr. is with his Regiment in India, the 21st Fusiliers, cured himself of a very bad attack of Fever by these celebrated Pills. There is no doubt that any Fever, however malignant, may be cured by taking eight and morning, copious doses of this fine medicine. The patient should be induced to drink plentifully of unseeded tea, or barley water.

#### CURE OF DROPSY IN THE CHEST.

Extract of a Letter from J. S. Mundy, Esq., dated Wellington, near Oxford, dated Decem. 2nd, 1848.

#### To Professor Holloway,

Sir.—My shepherd was for sometime afflicted with water on the chest, when I heard of it I immediately advised him to try your Pills, which he did, and was perfectly cured, and is now as well as ever he was in his life. As I myself received so astonishing a cure last year from your Pills and Ointment, it has ever since been my constant endeavour to make known their excellent qualities.

(Signed) J. S. MUNDY.

#### THE EARL OF AUBREY CURED OF A LIVER AND STOMACH COMPLAINT.

Extract of a Letter from his Lordship, dated Villa Messina, Leghorn, 21st February, 1845.

#### To Professor Holloway,

Sir.—Various circumstances prevented the possibility of my thanking you before this time for your politeness in sending your Pills to me. I now take this opportunity of sending you an order for the amount, and, at the same time, to add that your Pills have effected a cure of a disorder to my Liver and Stomach, which all the most eminent of the Faculty at home, and all over the Continent, had not been able to effect; nor even the waters of Carlo, Bad and Berlendal. I wish to have another box and a pot of the Ointment, in case any of my family should ever require either.

Your most obliged and obedient servant,

A. D. BOROUGH.

#### CURE OF A DEBILITATED STOMACH.

Mr. Mate, a storekeeper, of Indigo, New South Wales, had been for a long time in a most delicate state of health, his constitution was debilitated that his death was shortly looked upon by himself and friends as certain; but as a last hope, he was induced to try Holloway's Pills, which had an immediate and surprising effect upon his system, and the result was to restore him in a few weeks to perfect health and strength, to the surprise of all who knew him. He considers the case as extraordinary as he is, and sent it to Sydney Morning Herald, in which paper it appeared on the 2nd January, 1848. A few doses of the Pills will quickly rally the energies of both body and mind, when other medicines have failed.

These celebrated Pills are wonderfully efficacious in the following complaints:

Age	Pills	Female Irritatives—Sore Throats
As young	Fever of all kinds	Scrofula or King's Evil
Boiling Com- plants	Pills	Stone and Gravel
Blisters on the skin	Gout	Ecological Symp-
Bowel Complaints	Headaches	rosis
Constitution of Bowe's	Indigestion	Tumours
Consumption	Jaundice	Ulcers
Debility	Liver Complaints	Venereal Affections
Dropsy	Lumbago	Worms all kinds
Typhus	Piles	Weakness from whatever cause
Kystopiles	Rheumatism	&c.
	Retention of Urine	

Directions for the Guidance of Patients are affixed to each box.
