R. WOODSON is right in describing the circumstances recounted in his The address concludes as follows.—
historical study as "reading like beautiful romances of a people in a heroic age."
In recounting the strivings of the American return to her after victory, on condition return to her after victory, on condition return to her after victory with pething to ast and not in the lead of European civilization, will return to her after victory, on condition return to her after victory with pething to ast and not in the lead of European civilization.

"We did about sixty or seventy miles, which will be address concludes as follows.—
"We did about sixty or seventy miles, used to her cousin, Mrs. Robert Dodds.

Miles Deck Deviation at Mills of the frontier.

"We did about sixty or seventy miles, used to her cousin, Mrs. Robert Dodds.

Miss Sarah Keating, of St. Stephen, who can negro to reach the light, to enter the sphere of world-knowledge and of religious speculation in which the intellect of the white man revelled and expanded, he has put together a book which enchains the attention even of the light-minded. This book is another among expositions

of the effect which the teaching of Christ and of those who immediately succeeded Him has had on the world's history. Christianity is a reversal of the laws of Nature. By these laws-the laws which have governed the rise and fall of species, of orders, of classes of animals and plants My dear Mrs. Grimmer : -the negro and most other "colored" races should have remained in a condition of permanent subjection and inferiority in of permanent subjection and inferiority in mentality to the white man. The Chrisfor my Hospital. ian missionary, however, stepped in at the beginning of the sixteenth century written me asking as to the best way of and arrested his process. He sowed the dragon's teeth of education, first in Am-

action by winning a victory over the embattled South. Then began a new phase -the education of the negro (and the Amerindian) since the close of the Civil War-say, from 1866 onwards. This is the history of such institutions as Hampton and Tuskegee, Calhoun and the Penn School of Laura M. Towne, and of the thirteen negro universities which cameone might almost say "sprang "-into existence in Washington, in Tennessee, in Georgia, North Carolina, South Carolina, Arkansas, Mississippi, and Louisiana between 1862 and 1869; and later of the almost innumerable teaching institutions and training schools of the 'seventies, reighties, and 'nineties. Perhaps Dr. it a Reserve Fund, placed in a bank on in the various hospitals. Woodson will give us a second volume on trust-for the time to come, when we will Mrs. Wood, wife of Lieutenant Goverthis later phase—a phase which has en- need it more. tirely revolutionized the position of the colored man and woman in North America. Meantime his work on the beginnings of this far-reaching movement should be read by all: by the statesma because of its lessons for present-day Imperialism, by the fanatic both for and against the negro, and by those who have no views and merely ask for a book which is stimulating, and which stirs the emo-Motley's "Rise of the Dutch Republic."

Dr. Woodson closes his book by a bibliography of thirty-five pages which gives facts and incidents. Perhaps his study of the question reaches its highest point of interest when it nears the end; when it "Uncle Tom's Cabin" (and still more truthfully and graphically in the works of Frederick Law Olmsted), times in which press en route to China to spend some remanded. the crusade against negro education reminded local observers of the contempor ary tyranny existing for other purposes in Southern Italy, Poland, and the Austrian dominions. This was the time when a Southern educational authority ("De Bow") described Appleton's Geographical Compendium, issued from New York, as a work "likely to blanch the cheek of a pirate," and as an "ulcerous and polluting agency issuing from the hot-beds of abolition fanaticism," merely because it contained a slight animadversion on slavery as a State institution. Abrupt, ideas nor exaggerate their own importance in the American community when they could freely eat of the fruits of the Tree of Knowledge.-The Times Literary

TO FRENCH CHILDREN

To the Editor of The Times Sir.—Translated from a recent address of M. l'Abbé Caulle to the rising generation of Normandy, I send you the following spirited extracts, to which the term spirituel" may well be added. They and rendered what assistance they could will, I think, be received with pleasure in getting the crew ashore, saving the Miss Viola McDowell, of St. Andrews, Mrs. Joseph Ferris was the Mrs. Frank Ferris the past week. and pride by the readers of *The Times*, sails, rigging, etc. The schooner was 243 Goodill. which, as you will see, is quoted by the tons gross, and 200 tons net register. She I am faithfully yours,

MARY COSTELLO. 60, St. Stephen's-green, Dublin.

On land and sea, dear children, close t the fields of Troy, we are now fighting battles compared to which the Homeric struggle was but child's play. Arm in arm with our valiant Allies, the English, John with 500 tons of coal for C. E. Colvisiting her parents, Mr. and Mrs. Fred Henry.

Bangor.

Wake Up! New Brunswick!

This World War Demands the Supreme Effort of a United Empire.

Shall Our Province Fall Behind?

It should not be supposed that contributions of a couple of thousand men, a few odd dollars, some barrels of potatoes and boxes of socks constitute our rightful sacrifice. So far not more than a handful of people in all this country have any actual realization of what the war means. These few have given their husbands or sons to the cause of the Empire. The remainder have done nothing in comparison with their abilities and their conportunities. with their abilities and their opportunities.

Our national life, our peace, our prosperity and our happiness are so dependent upon the well-being of the British Empire that only by playing our part in that Empire can Up to the present ninety-nine per cent. of us do not realize what sacrifice means, nor what is being endured by those nearer the firing line than we are. We must give, not only

of our material wealth, but of our blood, and not niggardly out with a generous hand. None of us wish to part with our husbands and our child-ren, but it is better that they should serve the Empire and save our homes than that the enemy should triumph and all that we hold dear be taken from us.

"For Romans in Rome's quarrel Spared neither land nor gold, Nor son nor wife, nor limb nor life, In the brave days of old.'

The 88th Battalion requires a large number of men from New Brunswick. These men must be furnished at once, and must be recruited from New Brunswick homes. We cannot ask strangers to take our places. The duty before is is clear, however hard the part may seem. lose their lives; others will be maimed; many will return. MEN OF NEW BRUNSWICK—Once upon a time there was a man who said that he would rather be a live coward than a dead hero.

What is Your Choice at the Present Time? The Question is Up to You Today!
